REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: As the applicants have now perfected their claim for foreign priority with the submission of the certified translation of their foreign priority application, the Jo *et al.* reference in the prior art rejection under 35 U.S.C. 103(a) previously set forth no longer qualifies as valid prior art. Therefore, as there are no other rejections on record against the claims, are now allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
